-A NEIGHBOR HEARING THE GIRL'S CRIES COMES TO HER AID AND THE ASSAILANT ESCAPES

Elizabeth, July 31 (Special).—Miss Ida Burgess, a pretty seventeen-year-old girl, of Union Township, had an awful experience on Wednesday night with a supposed lunatic while on her way home from ursion to Asbury Park.

The girl started in the morning to go to the excursion, accompanied by her elder sister and Harry Baker, a young man twenty-six years old, whose father, Stephen Baker, is a wealthy farmer living near the Burgess farm. oung Baker had been twice an inmate of the Morris Plains Asylum, and only got out a year ago. He was then supposed to his father. He left his gold watch on Wednesday morning at the Burgess house when he called there two sisters, as he said he did not want to risk losing it on the trip.

The Burgess girls became separated at Asbury Park, and Ida came back with young Baker to this city on an early train. They got off at the station and started to walk up Morris-ave, to their homes When they passed the Lehigh Valley Rallroad bridge and reached a lonely part of the road, near ontes mill dam, Baker's demeanor underwent a sudden change, and grasping his companion body he undertook to drag her off the road. Miss Burgess struggled with all her might against the madman, whose eyes, she declares, glared at her like those of a wild beast. She screamed lustily

as he dragged her along, and scratched his face with her nails. Her cries were heard by John Davis, who lives in the vicinity, and who hastened to her assistance.

The maniac heard Mr. Davis coming and, releasing his grasp on the girl, he fled up the road. When Davis reached Miss Burgess she had swooned as a result of the terrible ordeal she had passed through. Davis picked the girl up and carried her to his home, where she soon revived and told her story.

Mrs. urpess exclaimed, "Where are my daughters," asker replied that one of them missed the train and would get the next one, while ida had been deverome by the heat while on her way home, had early fainted and was then resting herself at a eighbor's house down the road, Baker then walked out of the house and has not seen seen since. Shortly afterward Mr. Davis arved with ida.

Baker then walked out of the seen since. Shortly afterward Mr. Davis arrived with Ida.

The general belief is that Baker has had a return of his insanity, and people living in the neighborhood are greatly alarmed lest he do some harm before he is secured. Search was being made for him to-day, but up to 6 o'clock his hiding place had not been discovered. The latest report is that he was seen taking a train for New-Brunswick.

QUAKE-FIRE IN THE TOWER OF A CHEMICAL WORKS.

People living in Newark, Belleville and Arlington were startled shortly before midnight Thursday by a loud explosion, preceded by a flash of light that shot across the sky. A tower at Mans & Waldstein's chemical works, in Riverside-ave north of the New-York and Greenwood Lake Railroad, Woodside, containing 180 pounds of collodion had exploded.

There was great excitement for a time in Belle ville, where a crowd of people, some only half clad, rushed from their houses, thinking there had been an earthquake. Bells were rung and whistles blown, and for a time the people rushed about the streets panic-stricken. When it was learned where the fire was it dispelled the fears of the inhabitants, who returned to their homes. The explosion shook the ground and buildings as if there had been an earthquake. When the firemen arrived they found the tower which was used as a pumping station in flames. The explosion had blown the upper part of it to pieces. The flames were quickly extinguished. It is thought a spark from an engine set the structure on fire. The loss amounts to \$200, without insurance.

STATE CHESS TOURNAMENTS FINISHED. WIND-UP OF A SUCCESSFUL MEETING AT ON-TARIO BEACH.

Ontario Beach, Rochester, N. Y., July 31 (Speciel), -To-day's play in the tournaments of the New-York State Chess Association at the Hotel Ontario brought to a close a successful and thoroughly satisfactory meeting. With the exception of the cup contest, which was won handly by Lipschütz, as reported, all the matches were keenly contested, and in many instances brought out some clever plays on the part of the competitors. The only series not finished yesterday, that of

close fight, resulted in a victory for F. Searle, of Rome, C. W. Watkeyes and C. P. Weeks, of Rochester, tied for second and third. The prizes for this class are \$20, \$19 and \$5. After tying F. J. Marshall by winning the fifth
